Subject: RE: March 2012 Monthly Summary for Dimock Residential GW Site

Joe:

Just to be clear, "I" did not receive the receipts....BUT, **I don't need to receive them.** For all TDDs that include request for receipts with invoices, please first check with the respective OSC/WAM to determine where he/she would like the receipts sent. Most times, the WAMs are not in Philly and I would have to mail the information to the WAM anyway. This can ultimately delay the review process and invoice payment approval. It is quicker to send any additional supporting information to the WAM, or whoever else the WAM deems responsible to review the information.

Thank you,
